MSR4T	Retainer - Phillips Head, Stainless Steel	04-03525	\$0.70	

## RECEPTACLES 2600/2700 SERIES

Fixed Depth Receptacles  
04-03475..... \$3.80

## 4000 SERIES

MS214-16N, Steel, Rigid, Fixed Depth, Narrow  
04-03015..... \$4.40

MS214-16ND, Steel, Rigid, Fixed Depth, Narrow, CSK  
04-03549..... \$5.95

## STUD SELECTION CHARTS

The chartS below have the stud dash number in the far left column. This is the number that is stamped in the head of the stud. The two middle columns show the Total Material Thickness range (TMT) of each stud length when using Fixed depth or Adjustable depth receptacles. The far right column shows the S dimension for each dash number so you can easily measure and replace an existing stud. Dimensions are in inches.

### 2600 AND 2700 SERIES

Stud Dash Number	TMT Using Fixed Depth Receptacles	TMT Using Adjustable Depth Receptacles	2600 Series	2700 Series
			Total Stud Length *S Dimension	Total Stud Length *S Dimension
-1	.030 - .059	.010 - .370	0.76	0.61
-2	.060 - .089	.040 - .400	0.79	0.64
-3	.090 - .119	.070 - .430	0.82	0.67
-4	.120 - .149	.100 - .460	0.85	0.70
